General info

Bunk bed with angle ladder is made of solid wood, available in four colors.

Option to add [bedside tray](#), [underbed drawers](#) and [trundle](#).

The perfect solution for keeping kids' rooms fun, neat, and organized.

Made of Pine premium knot free solid wood, except for natural color which made of Birch solid [hardwood](#). You can not choose your wood type, the factory does it

Ladder

This bunk comes with one thick and sturdy angled ladder. Each rung is almost 3" wide with anti slip grooves.

Assembly

2 adults are needed for assembly. Bed ships in multiple boxes and is heavy due to Solid Wood construction. Plan for delivery and assembly of this item. Instructions and required hardware is included. No need to assemble the headboards. You need to assemble the stairs, desk and connect the headboards to the legs, the guard rails, mattress rails, and slats.

Safety

This solid wood bunk bed has a rating of 400 lb weight on the upper deck. In our factory we put 800 lb weight on this bunk and it holded nicely - though we recommend it to stay within the range of

actual rating.

These beds are made from Solid Wood and no inferior soft woods. They meets or exceeds federal safety standards for children's furniture.

Slats

[Slats](#) are made of knotty solid pine wood. Each slat is 2.5" wide and 2.5" apart from each other for a total of 14 slats for single size. End slats are 4.7" each. Slats make checking in at night easy.

Includes slat rolls.

Mattress

Standard size mattress fits this bunk bed just fine. We recommend using a six inches thick mattress.
