### General info

- Nothing stands up like a 3 Position Chair. Built tough to last long but we haven't left out comfort. This chair was designed to lean back in, but it also tilts forward for comfort as you lean forward. The seat is shaped to ensure comfort. The back is shaped with just the right pitch for relaxing at your desk.
- This chair is Unfinished.
- Three inches of foam allow you to linger in this one longer. The back is softly padded with just the right pitch for relaxing.
