General info

- Nothing stands up like a 3 Position Chair. Built tough to last long but we haven't left out comfort. This chair was designed to lean back in, but it also tilts forward for comfort as you lean forward. The seat is shaped to ensure comfort. The back is shaped with just the right pitch for relaxing at your desk.
- Colour, or stain, is in Natural finish so it gives the look and feel of real wood.
- Three inches of foam allow you to linger in this one longer. The back is softly padded with just the right pitch for relaxing.

Material

Case & back: Solid Southern Yellow Pine
Seat base: Plywood
Seat foam: Polyurethane
Fabric: Foundation is a durable polyester fabric with a soft surface feel.
